**Division Notes:**

- General Guidelines and Entry Form are located online.
- The Girl Scouts consider participation in the Ohio State Fair a privilege and an opportunity to share accomplishments, interests and ideas. Registered Girl Scouts (K-12), Girl Scout troops and camps (day, resident, trip or troop) in Ohio are eligible to enter. Exhibits and displays must show high quality in effort, originality, neatness, and be consistent with the Girl Scouts program. Exhibits and equipment will be supervised and every effort will be made to protect them; however, neither the Ohio State Fair nor the Girl Scouts will be responsible for any loss or damage to exhibits or equipment.
- Judges select all winning entries.
- Girl Scouts of Ohio's Heartland will pay winners directly (i.e. Flag Competition, Talent Competition, Speech Competition, and Grand Awards).

#### *How To Enter*

- Include the exhibitor’s address on the entry form (even if entry tags are to be mailed to the leader).
- For Day Camps, please specify individual units. Similar items should be entered as a group entry; individual entries of similar items are discouraged, as girls will compete against each other.

#### *Areas To Enter*

- Fair exhibits should be an outgrowth of good Girl Scout programs either in troop, camp, or growth of individual girl in pursuit of a hobby:
  - **Life Skills** – includes activities that focus on physical and emotional health; nutrition and exercise; interpersonal relationships; the home; safety; work and leisure; and consumer awareness.
  - **Customs and Traditions** – includes activities that focus on developing awareness of the various cultures in our society and around the world, building pride in one’s heritage while participating and respecting that of others.
  - **Science and Beyond** – includes activities that focus on discovering the how and why of things; exploring and experimenting with many technologies that touch daily life; dealing with changes; looking to future events, roles, and responsibilities.
  - **The Arts** – includes activities that focus on involvement in the traditional arts; enjoying and expressing one’s self through various art forms; and appreciating the artistic talents and contributions of others.
  - **Communications** – includes activities that focus on conveying a story through words or visual media and sharing those ideas with others.
  - **Out-of-Doors** – includes activities that focus on enjoyment and appreciation of the out-of-doors, living and caring for our natural environment, understanding and respecting the independence of all living things.
  - **Girl Scout Program** – includes activities that focus on Promise and Law, Girl Scout history, tradition and ways, troop activities, and badge work.

  - Council and Region
  - **County**

  - Program level and troop number or independent designation.
  - **How exhibit was made, why it was made, and the materials used to make it. Entries without this information will not be judged, but may be exhibited (space permitting).**
  - On the back of the claim stub, include the class number (from the front of the tag), a description of the entry, and the exhibitor’s name.
  - Tags **MUST** be attached to the upper right hand corner of the exhibit. For notebooks, attach the tag to the upper most binder ring with a piece of string.

A group project involving girls from more than a one-program level must be entered in the program level applicable to the oldest participating girl.
