October 2009

Participate in a Christmas Parade in Troy

Work with your girls to see if you can wrap presents for a local group or take cookies to a nursing home

Are you having a troop party? Consider having the girls do an ornament swap for Christmas. It could be made or bought, if buying suggest a price limit.

Christmas is coming and there are a lot of local children who need something for Christmas.

While working on a try it, badge, or IP why not teach them proper etiquette.

Do you know what diversity means? Do you girls? Teach them about diversity and how it affects them.

Have you taken a trip to the Library lately? Have you seen the Piqua Library since it has moved? Take the girls on a tour; sign up for library cards if they need one.

Do you love to scrapbook? Have you ever thought of having a meeting where the girls bring in pictures and you help them to make a page or two for a book of their own?
